CCHS ON-LINE GRADEBOOK
PARENT PORTAL

The PARENT PORTAL is a school-to-home communication portal which enables parents to check a student's progress in each class, and to keep up-to-date with all current announcements of events. The current term grade is computed based on all assignments as they are received.

If you want to utilize the PARENT PORTAL, we ask that you complete the information below and return it to the school so that we can activate your child's account for access by you, the parent. Further details and instructions on accessing the PARENT PORTAL will be mailed as soon as we receive your enrollment and have activated your account.

Please return completed enrollment to:
