

SCIENCE OLYMPIAD

The CCHS Science Olympiad Team garnered nine medals in 23 events in competition with 26 high schools from the five county region.

This allowed them to place fifth overall and to qualify for the State Science Olympiad for the fifth straight year.

The State Science Olympiad will be held Friday April 30, 2010 at Juniata College in Huntington PA.

Medal winners:

Anatomy and Physiology: 4th place - Erin Kreider and Ali Stinner
