

THE 2024 ACCHS CALENDAR RAFFLE!

*With 366 chances
to win a monetary prize!*

The ACCHS Calendar Raffle is a fundraiser that helps our families reduce the fundraising fee from their total tuition balance!

All ACCHS families have the opportunity to sell as many 12-month calendars as they wish. Each calendar has a chance to win monetary amounts for every day of the 2024 calendar year.

PRIZE AMOUNTS RANGE FROM \$30 TO \$250!

How the Calendar Raffle works:

- Each calendar includes a four (4) digit number that will be entered into a monthly drawing.
- A randomly generated list of numbers will be selected by ACCHS at the end of each month.
- If a purchaser's number is selected, a check for the amount shown on their calendar for that day is mailed to them.*
- ***The purchaser has the opportunity to win throughout the year!***

**NOTE: It is the purchaser's responsibility to contact the Finance Department if his/her address changes throughout the 2024 calendar year.*
